The Speaker handed down Senate Concurrent Resolution 48, sponsored by Representative Arnold:

A CONCURRENT RESOLUTION recognizing the hospitality of the historic French Lick Resort in Southern Indiana for hosting the 76<sup>th</sup> Senior PGA Championship.

*Whereas, French Lick Resort, named America's Best Historic Resort by Historic Hotels of America in 2013, and featuring two historic grand hotels nestled in the Hoosier National Forest in Orange County, Indiana, has been a popular destination for leisure and business travelers alike and one of the nation's sporting epicenters since 1845;*

*Whereas, Golf has been played at French Lick Resort for nearly as long, with golfers challenging the historic Donald Ross Course since 1917, including the 1924 PGA Championship, which marked the first of four consecutive PGA Championship titles by the legendary Walter Hagen;*

*Whereas, World-renowned golf course architect and native Hoosier, Pete Dye, then carved his namesake 18 Championship holes along the ridgelines just west of the West Baden Springs Hotel, creating one of the country's most challenging but rewarding golf courses;*

*Whereas, Views from the course stretch over wooded Hoosier hardwoods for up to 40 miles and provide a dramatic backdrop for soaring bald eagles, drifting hawks, and firmly struck tee shots throughout the golf season;*

*Whereas, The scenic beauty of French Lick Springs Hotel and West Baden Springs Hotel, coupled with their world-class championship golf courses, have played roles in the history of golf, much like the Professional Golfers' Association of America's significant role in the history and development of the sport;*

*Whereas, Continuing this tradition, from May 19 to May 24, 2015, French Lick Resort will host the 76<sup>th</sup> Senior PGA Championship presented by KitchenAid;*

*Whereas, The intertwining of the tournament with the Pete Dye course will benefit tens of thousands of golf fans and households throughout Indiana, particularly Southern Indiana; and*

*Whereas, Spectators from around the country will have a chance to "Walk with History" as some of the greatest golfers in the history of the game compete for the most prestigious title in senior golf, the Alfred S. Bourne Trophy, an award that has been claimed by legends such as Jack Nicklaus, Hale Irwin, and Lee Trevino: Therefore,*

*Be it resolved by the Senate  
of the General Assembly of the State of Indiana,  
the House of Representatives concurring:*

SECTION 1. *Whereas, A subarachnoid hemorrhage can lead to brain damage, hydrocephalus, stroke, and death; and*

A HOUSE RESOLUTION congratulating the Studebaker National Museum for honoring President Abraham Lincoln on the 150th anniversary of his tragic death.

*Whereas, The Studebaker National Museum, South Bend, will display an exhibit, "Lincoln's Final Journey: A Nation Mourns", to memorialize the 150th anniversary of a tragic event in our national history — the assassination of President Abraham Lincoln;*

*Whereas, Our 16th President spent his formative boyhood years in Indiana;*

*Whereas, Lincoln's lifetime connections to Indiana are numerous, and in death his funeral train made stops in Indianapolis and Michigan City on its way to Chicago;*

*Whereas, The exhibit at the Studebaker National Museum uses rare artifacts from institutions such as the Smithsonian Institution's National Museum of American History, Ford's Theatre, the Indiana State Museum, and the Abraham Lincoln Presidential Library and Museum to help visitors experience President Lincoln's final night as President and the aftermath of his death on a divided nation;*

*Whereas, Perhaps the most significant artifact in the exhibit is the carriage used by President Lincoln to take him and his wife, Mary, to Ford's Theater on April 14, 1865;*

*Whereas, The Lincoln carriage, one of the first items entered into the Studebaker Corporation's historic vehicles collection and a permanent part of the museum's collection, will be the centerpiece of the exhibition that memorializes the 150th anniversary of the tragic event; and*

*Whereas, The events that took place on April 14, 1865, forever changed our nation; the Studebaker National Museum pays tribute to Lincoln and his effect on Indiana with its display, "Lincoln's Final Journey: A Nation Mourns": Therefore,*

*Be it resolved by the House of Representatives of the  
General Assembly of the State of Indiana:*

SECTION 1. That the Indiana House of Representatives congratulates the Studebaker National Museum for honoring the nation's 16th president, Abraham Lincoln, on the occasion of the 150th anniversary of his tragic death and the museum's commitment to the preservation and legacy of local, state, and national history.

A HOUSE RESOLUTION expressing opposition to the anti-Jewish and anti-Israel Boycott, Divestment and Sanctions campaign (BDS).

*Whereas, The State of Israel is the only democracy in the Middle East;*

*Whereas, The State of Israel is the strongest ally and friend of the United States of America in the Middle East because this bond is based on shared values and interests;*

*Whereas, The 117th session of the Indiana General Assembly recognized that, The State of Israel, the only democracy in the Middle East, is the greatest friend and ally of the United States in the Middle East;*

*Whereas, The global spread of anti-Jewish speech and violence represents an attack, not only on Jews, but on the fundamental principles of the United States;*

*Whereas, Verbal attacks against Jews and the delegitimization of Israel foster intimidation and promote violence, not only globally, but in Indiana;*

*Whereas, Attempts to delegitimize Israel's existence through an international campaign of Boycott, Divestment and Sanctions is increasingly promoted on Indiana's college and university campuses;*

*Whereas, BDS campaigns violate the principle of academic freedom, and BDS promotes a climate of anti-Jewish and anti-Israel speech leading to intimidation and violence on campuses; and*

*Whereas, Indiana University President Michael A. McRobbie and Purdue University President Mitch Daniels have strongly condemned the boycott of Israeli academic institutions: Therefore,*

*Be it resolved by the House of Representatives of the General Assembly of the State of Indiana:*

SECTION 1. That the Indiana House of Representatives condemns the international Boycott, Divestment, and Sanctions (BDS) Movement and its activities in Indiana, for seeking to undermine the Jewish people's right to self-determination, which they are currently fulfilling in the State of Israel.

SECTION 2. That the Indiana House of Representatives condemns activities that contribute directly or indirectly to the denial, violation, or delegitimization of any people's academic freedom, including but not limited to promotion of academic boycotts by the BDS Movement against Israel.

SECTION 3. That the Indiana House of Representatives considers the international BDS Movement and its agenda inherently antithetical and deeply damaging to the cause of peace, justice, equality, democracy, and human rights for all peoples in the Middle East.

SECTION 4. That the Indiana House of Representatives reaffirms its support for the nation of Israel, recognizes that the Jewish people are indigenous to the land of Israel, condemns all attacks on the people of Israel, supports Israel's right to engage in lawful acts of self-defense, and opposes all attempts to deny the legitimacy of Israel as a sovereign state.
